

What I love about Fall...

What I love about Fall well I love seeing the old leaves start to turn into orange leaves .I like seeing the green pumpkin start to turn into a orange pumpkin. I love the weather cooling down.I love going to and watching football on Sunday afternoon to 12:00 at night.I like going trick-or-treating with my brother and my sister, but I really like about trick-or-treating is giving candy out with my Nena and seeing kids costumes.But mostly my favorite thing about Fall is my birthday
